

Sisters UNITED

Grand President's Initiative

The Power of WE ... in CommUNITY

Sisters, let's get United and feed the Seniors in our Community! The Daughters of Penelope has been donating to Meals on Wheels, America for five years now. We are very proud to support this very worthy organization and its mission which supports and nourishes our Seniors.

The Daughters of Penelope is a grassroots organization, and I am asking all the very generous chapters of the Daughters of Penelope to support their local community Meals on Wheels. With that in mind I am challenging each chapter to visit their local community Meals on Wheels organization and ask them what is needed the most. They may need you to fundraise to help support their local programs that keep Seniors safe and living independently. Or they may need volunteers, and your chapter might want to donate some time with the volunteer opportunities they have. Regardless of the local need, it will provide your members with an inspirational hands-on opportunity.

At the end of the year we will compile the information about your efforts and highlight it in our Supreme Convention Yearbook. Let us continue our Support to our Seniors in our COMMUNITY!

Sincerely in Theta Pi,

Marianthi Treppiedi
Grand President

About Meals on Wheels America

Meals on Wheels America is the leadership organization supporting the more than 5,000 community-based programs across the country that are dedicated to addressing senior isolation and hunger. This network serves virtually every community in America and, along with more than two million staff and volunteers, delivers the nutritious meals, friendly visits and safety checks that enable America's seniors to live nourished lives with independence and dignity. By providing funding, leadership, education, research and advocacy support, Meals on Wheels America empowers its local member programs to strengthen their communities, one senior at a time.

For info, or to find a Meals on Wheels provider near you, visit www.mealsonwheelsamerica.org.
